### Preface:

CAEC university seek accreditation to validate their quality and verify that they are striving for excellence based on a solid Christian philosophy of education foundation.

The CAEC accreditation protocol is unique in two major ways: (1) It probes the spiritual aspects of each component of the organization and (2) it addresses the educational quality and integrity of the organization. The latter addresses the issues demonstrating that the university is true to its own statements of philosophy, mission, and goals and that it is meeting the standards of quality and effectiveness.

### We award:

Accreditation #86515A8 to provide Technical Certificates and Diplomas for Associate Degree, Bachelors, Masters, Th.D. & Ph.D.  
CAEC is an accrediting agency registered in PR, United States.

CAEC accreditation is a highly effective way for a Christian university/program to evaluate itself in light of its unique educational mission. An authentic Christian university/program may be thought of as involving the four interwoven educational strands of (1) academic ideas and thinking; (2) skills for life and living; (3) biblical worldview grounding; and (4) personal character, values, and spiritual formation. The self-study process guides a university/program to evaluate and reflect on all it does in light of this distinctive, four-pronged mission.

### Why:

- ✓ We affirm that documents of the university are true to its own foundational statements (mission, vision, core values, and goals).
- ✓ We affirm that the school meets standards of quality established by the international christian university community.
- ✓ We provide validation of the credibility of the university through a peer review process.
- ✓ We promote accountability to the university community.
- ✓ We improve instruction targeting increased student achievement.
- ✓ We promote ongoing instructional improvement through a continuous process of self-assessment and systematic school development.
- ✓ We encourage the evaluation of biblical and spiritual integration of the university.

### Statement:

Through this, I declare that CAEC's accreditation process is implemented by the CAEC regional office. For more information about accreditation visit: <http://ope.ed.gov/accreditation/>
